**MAX ENVIRONMENTAL TECHNOLOGIES, INC.
RECOGNIZED BY NATIONAL & REGIONAL PUBLICATIONS**

PITTSBURGH, June 30, 2003 – MAX Environmental Technologies, Inc. ranks 80th on the “*Waste Age* Top 100 List.” *Waste Age* magazine started the “Top 100” list in 1993 to showcase the waste treatment, storage and disposal industry’s most prominent companies.

Waste Age serves private contracting firms, government organizations, consulting engineers, industrial plants, retailing firms, and hospitals, as well as equipment dealers, distributors, and manufacturers in the fields of waste management. The magazine has been in publication for 33 years

Close to home, MAX is positioned 16th on the *Pittsburgh Business Times*’ list of the 25 largest Pittsburgh-area environmental consulting firms. Last year, MAX ranked 21st on the list.

MAX Environmental Technologies, Inc. specializes in the treatment, storage and disposal of hazardous and non-hazardous industrial waste at facilities in Yukon, PA, and Bulger, PA. The Pittsburgh-based company also offers transportation, waste handling services, construction & remediation services, landfill capping & closure services, and laboratory analysis. MAX was established in 1957.
